

Myaamia Center Assessment Bridf #2019

## Myaamia Language Revitalization

For the Miami Tribe of Oklahoma, language revitalizaa

deepen our understanding of the role of language in the community today.

 $$\mathsf{v}$$  asion among those who maintain a higher proficiency,

achieving high levels of language fluency across a broader community is not a goal at this time. For this community, language will emerge more slowly and broadly from a strategic approach to education that contextualizes language within cultural and community domains created by
